ANALYSIS

**Statutes interpreted:** Section 440.09, Stats.

**Statutory authority:** Sections 227.11 (2) (a) and 440.09 (5), Stats.

**Explanation of agency authority:**

Section 227.11 (2) (a), Stats. states that “[e]ach agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency, if the agency considers it necessary to effectuate the purpose of the statute...”

Section 440.09 (5), Stats. states that “[t]he department or credentialing board, as appropriate, may promulgate rules necessary to implement this section.”

**Related statute or rule:** Section 440.09. Stats.

**Plain language analysis:**

This rule project updates the department’s rules to reflect that service members, former service members, and their spouses can obtain a reciprocal credential if they meet the requirements under s. 440.09, Stats. including:

- Submitting a completed application.
- Paying the required application fee.
- Residing in this state.
- Is either a service member, former service member discharged other than dishonorably within the last four years, or spouse of a service member or former service member discharged other than dishonorably within the last four years.
- Holds a credential in another jurisdiction that qualifies the individual to perform the acts authorized under the appropriate credential granted by the department.

**Summary of, and comparison with, existing or proposed federal regulation:**

None.

**Summary of public comments received on statement of scope and a description of how and to what extent those comments and feedback were taken into account in drafting the proposed rule:** N/A.

**Comparison with rules in adjacent states:**

**Illinois:**

Illinois state law does have a process allowing for expedited issuance of reciprocal credentials for active service members, their spouses, and those who were discharged from the service within the last two years. An applicant must show that they have a credential in good standing in another jurisdiction that is substantially equivalent to the Illinois credential sought, and must submit all required fees and application documents. The credential must be issued within 60 days of receipt of a completed application (20 ILCS 5/5-715).

**Iowa:**

Iowa generally requires the expedited review of reciprocal license applications for veterans as defined under Iowa law, as long as the board determines the individual is licensed in another jurisdiction and the requirements to obtain that license are substantially equivalent to the requirements to obtain the license in Iowa. If the requirements are not substantially equivalent, the applicant may receive a provisional license to allow practice while meeting remaining requirements for equivalency (IA Stats. § 272C.4 (12)).

**Michigan:**

Michigan provides for a temporary credential to be issued to active duty military and spouses if they hold a credential in another state in good standing that allows for the practice of the profession they are seeking licensure for. This temporary credential is good for at least 6 months and can be extended if the person needs more time to meet licensing requirements (MI Stats. § 339.213).

**Minnesota:**

Generally, Minnesota does require each licensing board to promulgate rules allowing for expedited temporary credentials to be issued to service members, former service members discharged in the last two years, and their spouses. Applicants must show a valid credential issued by another jurisdiction, without history of disciplinary action, and must pass a background check. The applicant must complete all application requirements during the life of the temporary credential (Minn. Stats. § 197.4552).

**Summary of factual data and analytical methodologies:**

2019 Wisconsin Act 143 necessitates updates to the department's rules to reflect the existence of a new reciprocal credentialing process for service members, former service members, and their spouses. The department reviewed its administrative rules and revised its code as necessary to reflect this new process.

**Analysis and supporting documents used to determine effect on small business or in preparation of economic impact analysis:**

The rule draft will be posted on the department's website for 14 days in order to solicit comments from small businesses on potential economic impact.

**Fiscal Estimate and Economic Impact Analysis:**

The Fiscal Estimate and Economic Impact Analysis will be attached upon completion.

**Effect on small business:**

No impact is anticipated, however the rule draft will be posted on the department's website for 14 days in order to solicit comments from small businesses on potential economic impact.
